

**The 7th International
Conference On Electrical,
Electronics And Information
Engineering (ICEEIE 2021)**

CALL FOR PAPER

(Video Conference)

The 7th International
Conference on Electrical,
Electronics and Information
Engineering

Conference Date

October 2, 2021

at **Malang**

Theme:
"Technological Breakthrough
for Greater New Life"

Keynote Speaker

Prof. Martin Ebner, Ph.D.

Graz University of Technology,
Austria

Prof. Dr. Taufik

California Polytechnic State
University, USA

**Prof. Chen Shih Chung,
Ph.D.**

Southern Taiwan University of
Science and Technology, Taiwan

**Dr. Eng. Anik Nur
Handayani, S.T., M.T.**

Universitas Negeri Malang,
Indonesia

Important Dates

June 1, 2021

Deadline Paper Batch I

July 1, 2021

Deadline Paper Batch II

August 1, 2021

Deadline Paper Batch III

September 2, 2021

Acceptance Notification

September 19, 2021

Final Manuscript

October 2, 2021

Conference Date

Conference Fee

Author Cluster	The 1st Paper		Next Paper/ Invited Paper	
	IEEE	Non IEEE	IEEE	Non IEEE
International Author	USD 125	USD 150	USD 75	USD 100
Domestic Author	IDR 1.750.000	IDR 2.000.000	IDR 1.000.000	IDR 1.250.000

Participant Cluster	IEEE	Non IEEE
International Participant	USD 25	USD 30
Domestic Participant	IDR 250.000	IDR 300.000

The registration fee should
be transferred via EDAS

edas.info/N27974

Topics

ELECTRICAL

- Power System
- Power Transmission
- Protection and Insulation
- Power Generation
- Electrical Machines
- Renewable / Green Technology
- Energy Efficiency
- Smart Grid
- Power System and Energy Engineering
- High Voltage Engineering and Insulation Technology
- Electric Drivers and Application
- Electric Vehicles
- Inverter and Converter Technology
- Related Topics on Electrical Engineering

INFORMATICS

- Software Engineering
- Web Programming
- Computer Network and Data Base
- Mobile Computing
- Cloud Computing
- Artificial Intelligence
- Data Science
- Grid Computing
- Distributed and Parallel System
- E-Business and E-Commerce
- Social Networks
- Decision Support System
- Image Processing
- Optimization
- Related Topics on Informatics Engineering

ENGINEERING EDUCATION

- Distance Learning Technology
- Ubiquitous Learning
- Personalize Learning
- Gamification
- Augmented Reality
- Virtual Learning Environment
- Learning Analytics
- Innovative Learning Media
- Related Topics on Engineering Education

ELECTRONICS, INSTRUMENTAL AND CONTROL

- Electronics and Applied Superconductivity
- Electronics Materials and Semiconductor Technology
- Bio-medical Electronics
- Sensor Networks
- Digital and Embedded System
- Instrumentation and Control
- Industrial Process Control and Automation
- Mechatronic and Robotic
- Human Machine Interaction
- Intelligent System and Approach
- Signal Processing
- Telecommunication Systems
- Related Topics on Electronics, Instrumentation and Control

Conference's Office

Electrical Engineering, Universitas Negeri Malang

B11 Building, Jl Semarang No. 5,
Malang 65154, East Java, Indonesia.

The 7th International Conference On Electrical, Electronics And Information Engineering (ICEEIE) 2021

Technological Breakthrough for Greater New Life

The 7th International Conference on Electrical, Electronics and Information Engineering (ICEEIE 2021) is organized by Electrical Engineering Department, Universitas Negeri Malang (State University of Malang) supported by its partners which is to be held in Malang (Indonesia). The ICEEIE 2021 has been recorded in IEEE with ID Number is 52663 for the Technical Co-Sponsor. In general, the ICEEIE 2021 is presented in series for increasing quality and management associated with previous events for 2009 The 1st National Seminar on Electrical, Electronic and Its Education (SNEIE 2009), 2011 The 2nd National Seminar on Electrical Engineering, Informatics and its Education (SEEIE 2011), 2013 The 3rd Seminar on Electrical Engineering, Informatics and its Education (SNEEIE 2013), 2015 The 4th Conference on Electrical Engineering, Informatics (CEIE 2015), 2017 The 5th International Conference on Electrical Engineering, Informatics, and its Education (ICEEIE 2017), 2019 The 6th International Conference on Electrical, Electronics and Information Engineering (ICEEIE 2019)

As the international event of Electrical Engineering Department, Universitas Negeri Malang (State University of Malang), the ICEEIE 2021 is presented to serve as a platform for international exchange of ideas, collaborations and cooperation. The main objective of ICEEIE 2021 is to provide a scientific forum for scholars, lecturers, researchers and

practitioners to exchange their ideas and innovations on the latest trends or novel results in the field of electrical, electronics and information engineering for bridging future technologies. The novel invention or results are strongly innovations on the exploitation of works and experiments throughout the accuracy analysis and interpretations for increasing positive impacts of future technologies around the world exchanges. Moreover, the scope of this worldwide meeting is to explore state of the art research covering a variety of concepts, ideas and breaking problems.

Prospective authors are invited to submit abstract or full papers electronically through the conference management system. The ICEEIE 2021 also invites presenters from academia, government, industry and others. Submissions will be accepted on the basis of a peer review process.

The papers accepted and registered by ICEEIE 2021 must be presented on the conference's date, and presented papers will be submitted to the IEEE Xplore digital library after the conference. Moreover, the extended paper will be submitted to the SCOPUS indexed journal (International Journal of Advances in Intelligent Informatics, ISSN : 2442-6571) based on the journal regulations after modifying the contents/title associated with main works on the presented paper.
